PEOPLE

11.7% of the UK
population is
covered by
private medical
policies and
the number is
expected to
grow once the
recession ends

**600,000 people
will lose access to
legal advice and
representation
due to the recent
£350 million
cuts to Legal Aid.**

Radiohead

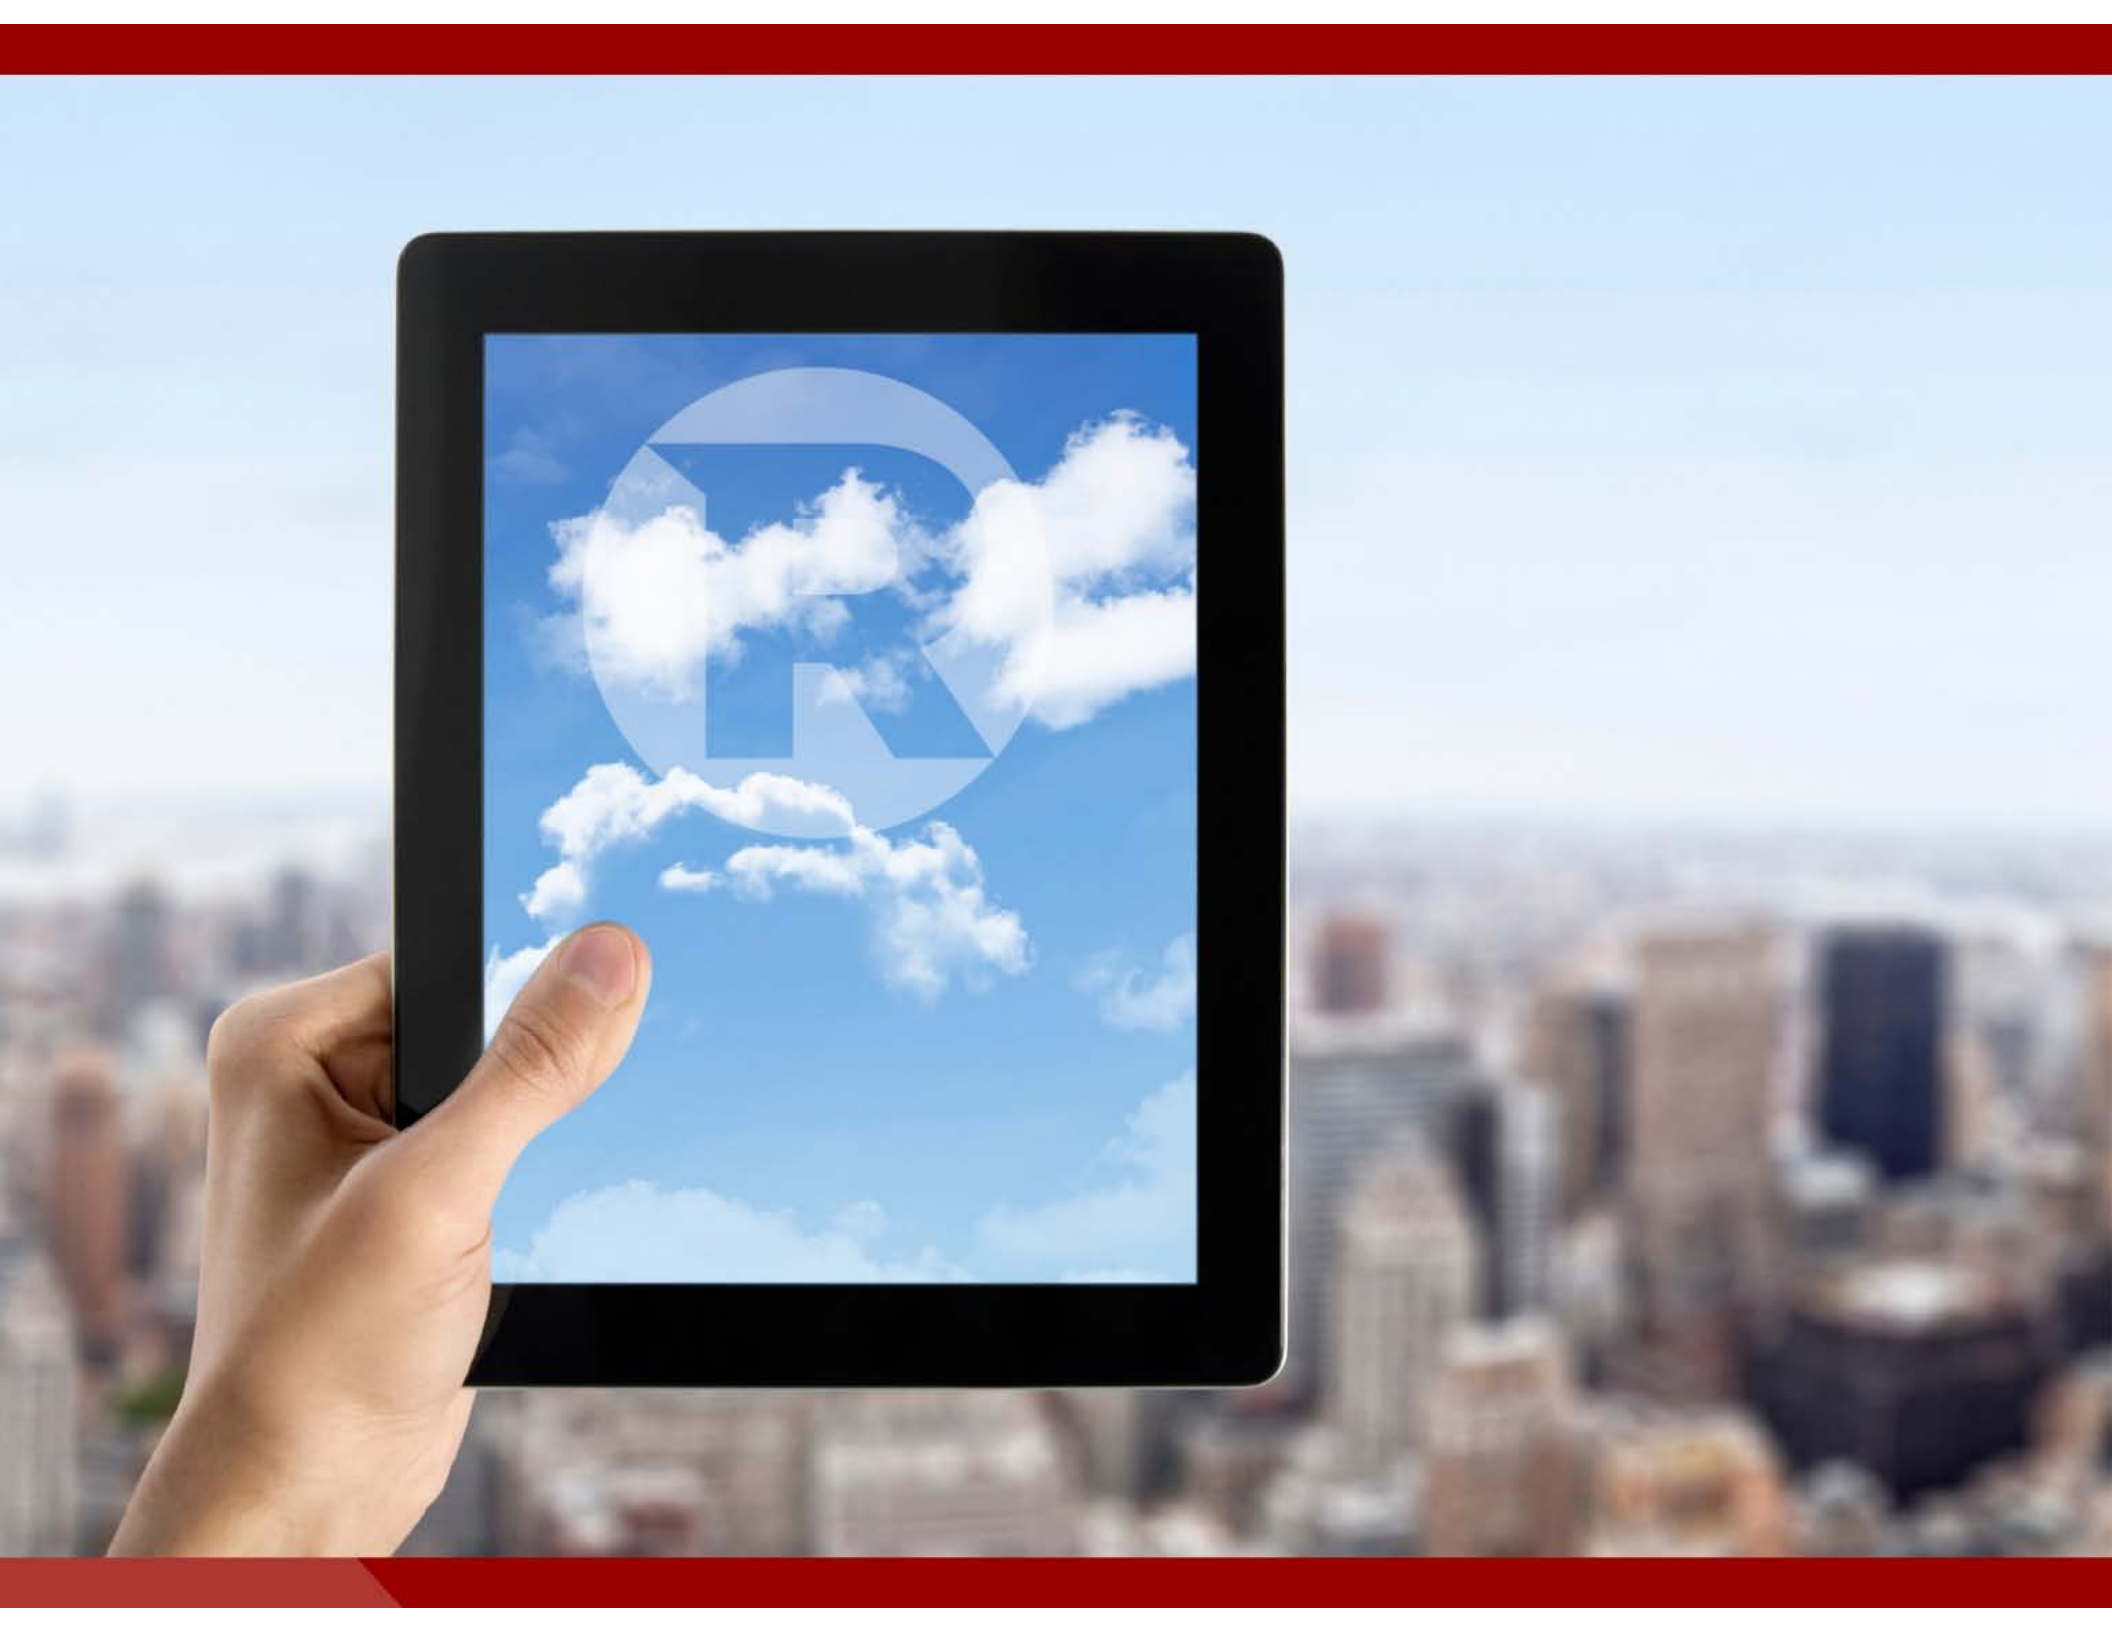

We have a legal ecosystem where everyone at least pretends to offer first class. There is little acknowledgement of discount pricing and retail value in the legal marketplace.

The future of law
is offering
legal services

to everyone
